Current Publications

JCWI issues a number of publications. Our main one being JCWI's 2006 Handbook which covers immigration, nationality and refugee law. JCWI have also issued electronic updates (see below) to update certain chapters of the 2006 Handbook. JCWI do intend to issue an updated Handbook but are unable to offer a time scale regarding this, owing to recent Bills passing through Parliament which will change legislation. See our policy section for more information on these changes.

We also issue smaller pamphlets relating to the policy/campaign work that we conduct.

Additionally, we issue quarterly bulletins which cover topical issues relating to immigration and nationality, as well as recent case law. These are available for purchase or are free to members. [Click here](#) to find out more about JCWI's membership.

ELECTRONIC UPDATE of JCWI's Immigration, Nationality & Refugee Law Handbook

Message to the Subscribers of electronic update of JCWI's Handbook from EIN website.

Would all subscribers of the Electronic Update of JCWI's "Immigration, National and Refugee Law Handbook" from the EIN (Electronic Immigration Network) website please note that the electronic updates were current until February 2008 and have not been revised since then.

Due to rapid changes in law and policies in this sphere in the last two years, including the enactment of the Borders, Citizenship and Immigration Act 2009 and the introduction of the new Points-Based System, it has not been possible for us to issue timely updates. We have instead decided that it would be better to publish a separate guide on the Points-Based System which is a completely new area of development in the Government's managed migration policy.

Please click here ([PDF](#)) to view details of the guide and how to place an order.

We also aim to begin work on the new edition of the main Handbook as soon as we are clearer about the new Government's planned legislative programme in this area.

To order your FREE electronic update visit www.ein.org.uk

Subscribers will need a hard copy of the Handbook for reference.
